Policy Form 08-EWL AR

Dear Commissioner:

On 6/16/2008, DOI File # 39254, you approved policy form 08-EWL AR , an individual Whole Life policy with premiums payable to age 90.

This letter is to inform you of a slight change to the markets in which we intend to sell this product.

The product is still primarily intended for employer owned/employer sponsored situations. Some examples are Deferred Compensation, Split Dollar, Executive Bonus, Key Person Insurance, Group Carve Out and other business related cases.

When we originally filed this product, we indicated that the product would be available only for multi-life situations (cases involving coverage on at least 3 insureds). We now intend to offer this policy when only 1 or 2 insureds are involved in the sale. If the policy is issued on a single insured, we intend to require a premium of at least \$100,000 to be eligible for this policy form.

We also have a Guaranteed Issue version of this product which requires a minimum of 10 lives and a Simplified Issue version that requires a minimum of 5 lives. Those limits have not changed.

The minimum face amount for the policy remains at \$250,000. Nothing in the policy form or riders available with the policy has changed. Because we're only making a slight change to the markets in which we sell the product, and no changes have been made to the forms, actuarial material, premiums, etc. we consider this an informational filing and intend to implement this change immediately.

If you have any questions on this change or require additional information, please feel free to contact me at (212) 598-8419, or toll-free at 877-600-1460, or by e-mailing me at John_Monahan@glic.com.

Sincerely,
John J. Monahan, Director
Individual Markets Compliance
